Main Street Lansing Welcomes New Executive Director

My name is Dan Fisher, and I am excited to take on the position of Executive Director of Main Street Lansing. I grew up in Silver Lake, Wisconsin, a small village of 1,000 residents in Western Kenosha County.

In the past I have been very active in the community I have lived in. I was twice President of the Westosha Kiwanis Club. As the club's President I took part in helping the club raise funds to build Southeastern Wisconsin's first handicapped accessible cabin at Bong Recreational Area. Additionally, I ran an Arbor Day tree sale in which we sold 30,000 trees in five years, along with countless other projects.

I believe my past community experience lays the groundwork for bringing value and success to the Main Street Lansing program.

As Director, I will strive to help Lansing increase its visibility with tourists in order to help the continued success of our area businesses. I firmly believe this can be done while protecting the charm and character of Downtown Lansing.

Local Restaurant Owner Brings Back Memories with Competitor's Classic Dinner

Recently, Mike Conway (owner of Milty's) was approached by Sue Stirn (S&S Marina) with a unique idea. Sue thought it would be a great evening to have Milty's serve up the 'Chip Clancy' six-course dinner.

Clancy's (for those of you who don't know) was a long-standing Supper Club in Lansing.

Sue's thought was to prepare everything just as it had been done in days gone by, including the homemade salad dressing, Chip Clancy's American Fry Recipe prepared in cast iron skillets, highest quality beef tenderloin cooked to order, and of course, an after-dinner ice cream drink.

For those of you who weren't able to be included in the 50-person reservation limit, rumor has it that The Clancy Dinner will be back December 13th.
